

# International Conference on NanoScience in Advanced Materials

**16 Ekim 2024 Çarşamba - 18 Ekim 2024 Cuma**  
**, Çukurova University Adana, Türkiye**

## Scientific Program

## **Nanofunctional Materials**

## **Materials for Energy**

## **2D-Materials**

## **Ceramics and Glasses**

## **Composite Materials**

## **Bio-Materials**

## **Catalysis and Applications**

## **Electronic, Optic and Photonics Materials**

## **Magnetic and Superconducting Materials**

## **Materials for Defense and Industrial Applications**

## **Measurement and Evaluation Techniques**

## **Metamaterials**

# **Modeling and Simulation Methods of Materials**

## **Polymers**
